LB 294A, 700, 716, 866, 1004, 1042, 1073A
1083, 1234
LR 433, 434

SENATOR HIGGINS: It is debatable, isn't it?

PRESIDENT: We'll back up.

SENATOR HIGGINS: Thank you. I'm not going to debate it, I'm just going to remind you this bill is LB 1234, says Barrett, but it's really the Governor's bill. She did it to us again. The bill passes and I voted for this amendment. I think it was a good amendment and now the Governor can say, see, I gave you a tax credit, it was in my bill. I'm glad that we, as a Legislature, were able to do this to the bill, whereas just a few minutes ago we made darned sure that the taxpayers are going to pay through the nose in the years to come, but this little bit the Governor will be able to take credit for. That's all I wanted to point out. Yes, I know it is a nonpartisan Legislature. I will never bring it up again as long as the Omaha World-Herald quits quoting Democrats and Republicans. Thank you, Mr. President.

PRESIDENT: All those in favor say yes, aye. Opposed nay. It is advanced. Would you read some things into the record, please?

CLERK: Yes, Mr. President, thank you. Your committee on Enrollment and Review respectfully reports they have carefully and examined and engrossed LB 294A and find the same correctly engrossed, LB 700, LB 866, LB 1004, LB 1073A, LB 1042 and LB 1083. All those are reported correctly engrossed, Mr. President.

In addition, Mr. President, I have two new resolutions. (Read explanation of LR 433 for the first time.) That will be laid over. (Read explanation of LR 434 for the first time. See pages 2093-94 of the Legislative Journal.)

PRESIDENT: LB 716.

CLERK: LB 716, first order of business are Enrollment and Review amendments.

PRESIDENT: Senator Moore.

SENATOR MOORE: I move we adopt the E & R amendments to LB 716.

PRESIDENT: You've heard the motion. All in favor say aye.
